In order to read this PDF ebook in the way the author intended, please set your Adobe Reader software to single-page view.

This can be achieved by going to the View menu, where you should select Page Display from the drop-down menu, and then single-page view from the list of options.

The impact of the work will be further improved if Full Screen Mode is selected, also from the View menu. Then click on the page, or press the right arrow on your keyboard to move forward, and press Escape to revert to normal screen mode.

# ***1. Triptych***

Of

of the

of

this

this

where everything

and all the time or almost all the time

as if nothing

could      could be

however much

all of which      all      all of which

So quickly so      so easily      so without

Still

still

**still**

what by now

by now

and which then

which then

in the course of time

will

or will not

will not

will not

## ***2. Text***

That it      that      that it

that

that what

what

what it is      what it is that

what alone

in or in the

what might

what with

only that

what

what every

in every

as if the idea of

being

at peace

at

at will

at

at the bidding of
